ELIGIBILITY & RULES

Horses are eligible for registration as Half-blooded which have one fully-registered parent -- for example, American Saddlebred, Hackney, Morgan, Quarter Horse, Standard Bred, Walking Horse, or Welsh, said parent being duly registered with the respective registry association of the various breeds -- and the other parent of such type, breeding and quality as in a satisfactory riding horse.

A 3/4 blood, such as a 3/4 Morgan, is one whose 1 parent is a fully-registered horse and the other parent is a registered half-blood of the same breed. Likewise a 7/8 blood would have for parents a full-blooded and a registered 3/4 blood of the same breed.

A Crossbred has two registered parents of different breeds, such as an Appaloosa-Welsh.

Select name choices carefully. The Registry reserves the right to reject a name for any reason deemed unsuitable.

Enclose (1) one Picture of your choice. Make sure NOT to crop off any part of the horse. Any size will do. If you wish to electronically send it, please email to: apbhr2010@yahoo.com Be sure to reference the picture with your name and your Horse choice name.
